Unlike other materials used in prop manufacturing, wood:

- ◆ *is light weight*
- ◆ *does not rust*
- ◆ *is easily touched up*
- ◆ *does not become permanently soiled or scratched*
- ◆ *is sturdy and rigid*
- ◆ *has the look, warmth, and feel that rental customers prefer*

All of our props are assembled under strict quality control and all structural joints are glued and screwed. They are then sprayed with a primer/sealer and finished-coated with a 100% acrylic semigloss white exterior paint.
